## 6. Vision and Mission

### Vision

To be a globally renowned institute – for imparting quality, to empower the students, to utilize their full potential, to develop competency and ethical professionalism with a concern for the society.

### Mission

- To fulfil the education needs of students from every section of society so that all students stand at par and are economically and socially empowered.
- Provide a holistic education that makes students not only well informed and enlightened but also responsible citizens.
- Sensitize the students to local challenges and a changing global scenario, and help them realize that they can contribute meaningfully to their immediate community as well as to the world at large.
- To make young talent realize that they can lead in all walks of life if they are educated, aware, and articulate.
- To ensure that curricular and co-curricular progress is made by all students attending the college, so that they leave the college equipped not only with a valuable degree and sound knowledge and values, but also a sense of self- worth and dignity.
- To make the learning process a stimulating one by using innovative pedagogic tools to facilitate knowledge absorption and focus on an interactive classroom environment.
- To ensure that students are well placed in the job market and thus, we train them to be truly thorough in their disciplinary and interdisciplinary knowledge, be effective communicators and be well informed about developments across the globe.

## **7. Grievance Redressal Mechanism**

The institution maintains:

- Student Grievance Redressal Committee
- Internal Complaints Committee (ICC)
